

## Installing the SBI Mobile Coach App

HTML5 (browser-based for Android, iPhone and iOS devices, and Windows Phones)

1. Scan the QR code below and follow the prompts to access the app; or use [this link](#) to access it directly.

**NOTE:** If your phone does not have a QR reader installed please visit the **Google Play Store** on your phone and download a free reader, such as “QR Code Reader.”

2. Once scanned, confirm the Open URL popup; then tap/click the continue icon at the right side of  the URL bar at the top.
3. Use the menu at the top right of the screen to bookmark the site for future use (tap the star to add a bookmark).

### Android Native App Version

1. Please visit the **Google Play Store** on your mobile device and search for **SBI Mobile Coach**. Install the app directly from **Google Play Store**.
2. When you open the **SBI Mobile Coach** app, you'll be asked to sign in or register. If you have a username and password please enter these credentials and tap/click the **Sign In** button.

**NOTE:** If you do not yet have a username and password, please tap/click the **Register** button and complete the *Registration* form. If you have just purchased the app, we will send you login credentials based on the preferences you enter in the *Registration* form.

**NOTE:** *Native app format not yet available in iPhone, iOS devices, or Windows Phone.*
